Seasonal fundraising ideas

GET READY, SET, BAKE!
Why not organise a festive bake sale at your workplace or with your neighbours? Mince pies always go down a treat and you could even turn it into a bake-off!

WALK THE DOG
You can help your friends, colleagues, or neighbours by walking their dogs whilst raising money! Plus, it's a great opportunity to catch up or meet new people (and their dogs!)

RUN, SANTA, RUN!
If you prefer a physical challenge, why not join one of your local Santa fun runs? You can enrol friends and family and run in aid of AWF!

CHRISTMAS JUMPER
Wearing a Christmas jumper at work or school is simple and usually very effective. The uglier, the better and you can also turn it into a competition!

WRAPPING GIFTS
Are you skilled at wrapping gifts? Then offer your service in exchange for a small donation: set up a gift-wrapping stall or plan a wrapping party!
